Monday, September 30, 2013  
9:00 A.M.

**Members Present:** Nancy Brannon, Ginger Herrmann, Carroll Johnson, Richard Lira, and Earl Russell, Dan Ott.

**Absent:** Mike McKenzie.

**Staff Present:** Dave Vinton

**Visitors Present:** None

The **second item of business** was Discussion and Action on minutes from September 9, 2013. A motion to approve the minutes was made by Ms. Brannon with a second from Mr. Lira. Ayes: Brannon, Herrmann, Lira, Russell, and Ott. Nays: None. Absent: McKenzie.

The **third item of business** was Citizen/Tenant comments. None were made.

The **fourth item of business** was discussion and action on Red Bull Air Race Practice sessions at KGLE. Director Vinton advised the board that several changes had occurred since the meeting was posted. The major change was the decision by the FAA that they would not be willing to provide the extra work needed to make KGLE a viable practice area due to the minimal amount of time available to complete such a task. Another change was the recommendation by the FAA to use a different airport further to the West that had several of the required components already in place.

Mr. Vinton showed the board several pictures of the type of flying done by this team and what could be expected at the airport. He continued to state that the airport would need to be closed 2-3 times per day for 7 days. Director Vinton continued advising the board of the economic impact this event would have on the community and for the airport itself. Mr. Vinton then told the board that any motion and approval would most likely be for future practice sessions at KGLE.

Ms. Brannon made a motion to recommend the use of the airport by the Red Bull Team with a second from Mr. Lira. Ayes: Brannon, Herrmann, Lira, Russell, and Ott. Nays: None. Absent: McKenzie.

The **fifth item of business** was to adjourn.

  
Carroll Johnson, Chairperson

  
David Vinton, Airport Director
