DISCUSSION

Tavia mentioned that the Course designer would like to meet with the Parks Board at some point to see what our thoughts are. Our members thought it was too soon and hoped to see the communities plans first when they are finished to help us decided what would be beneficial for the community.

Update on the project with GEDC on Walking Trail lights. We are waiting on the lights contract to get signed by GEDC. Typically they give us about a 12 week processing time to get them down here and then Parks and Recreation crew will be installing them.

May 24th is the date that the Comprehensive Planning group have selected for Park and Recreation Board and other city officials to join and tour Parks around the area. Since there will be events, tour and some out of towners the board voted for there to be no Board meeting in May but to follow up in June.

ADJOURN

The meeting adjourned at 6:10 p.m.
